[Frédérique Mercier](#) doesn't like about Bungalow Restaurant - GRA:

Location is really beautiful with different segment, it's nice and very classy. If you want quiet then this is the place for you. The downside is that the food takes a to grt prepared and sincerely, both food I ordered I wasn't really feeling them. And the prices are quiet on the high side. At Bungalow Restaurant - GRA in [Lagos](#), **juicy meat is freshly roasted** on an open flame and garnished with fine sides, and you can look forward to the delicious typical [seafood](#) cuisine. After the meal (or during it), you can still relax at the bar with a alcoholic or non-alcoholic drink, Indulge in the impressive outlook of the delicious arrangements of the menus and also enjoy a beautiful outlook of some of the local **attractions**.
