The restaurant from [Lagos](#) offers **31** different *dishes and drinks on [the card](#)* at an average price of 2,259 ₦. What [Jydeoo](#) likes about La Mango:

I liked the individual tick your choice order sheets. The menu had a wide enough selection. Though I didn't go upstairs, judging by the number of people that arrived while we were there, this place is well patronised. Patronage counts for something, as it means the establishment is doing many things right. Kudos, keep it up.

What [sharpiese](#) doesn't like about La Mango:

So I had visited over 5 years ago and had weird looking/tasting steak. Fast forward to today, took my brother and family there. Not only were we given the food we didn't order, the chicken (we ordered fish) was super dry and chips overly salted. Every food we ordered was extra spicy. Flies were all over and no one came to clean up.

Never had such a wack meal that cost so much. Never again. The restaurant also offers the possibility to sit outside and be served in beautiful weather. If you're in a rush, you can get delectable **Fast-Food dishes just the way you like it** from La Mango in Lagos, freshly prepared for you in short time. At the bar, you can relax with a cool beer or other alcoholic and non-alcoholic drinks. The breathtaking panorama of a diverse selection of notable places is an additional draw for this restaurant, and you may look forward to the scrumptious typical [seafood](#) cuisine.
