[User](#) likes about Pho:

Excellent meal, all gluten-free except spring rolls and no milk in sight. On the way to ask for allergies. Had the pork and lemongrass balls for appetizers and braided steak curry and rice. They also have cauliflowers, but they had run out. Would you like to go back [read more](#). Pho from Kimberley is a good option for a bar if you want to have **a drink after work** and hang out with friends, Moreover, the menu of this [gastropub](#) offers a good and especially extensive selection of beers from the region and the world that are definitely worth a try. The Asian fusion cuisine is likewise an important part of Pho. Anyone who finds the everyday and generally known dishes too ordinary should approach with a willingness to experiment and try some exciting combination of ingredients consume, On the daily specials there are also several Asian menus.
