The service is a little slow when the restaurant is crowded. The staff is friendly to the sea food is all right. The restaurant has a great view of the beach La Goulette, enjoy the Mediterranean blue during the day and the moonlight reflection at night. Well recommended. [read more](#). When the weather conditions is nice you can also eat and drink outside, and there is complimentary WLAN. What User doesn't like about The Sea:

We all agree about the nice view here but the place is overpriced. Delicious ojja for 25dt and tuna brick for 14 then comes the fish, they brought us old dorade that we asked to change; no other dorate is available so what to take? Big loup fish 10dt per 100g so at the end one fish came very late for 50dt with fries and tastira. Personally I won't come back again. [read more](#). A visit to The Sea becomes even more rewarding due to the comprehensive range of coffee and tea specialties, well digestible **Mediterranean courses** are also available. After the meal (or during it), you can also relax at the bar with a alcoholic or non-alcoholic drink, and you can look forward to the tasty classic [seafood](#) cuisine.
