What [User](#) likes about Chokka Block: The place had amazing food and was just an amazing experience overall. Our waiter was friendly and efficient, and they have a great system for communicating with the staff. The owner stopped by our table several times and checked on us he even gave us a complimentary bottle of champagne since we are on honeymoon. We ordered the seafood chowder as a starter but I honestly would have eaten a bucket of the stuff as a m... [read more](#).
